HOD's words

Dr. S.B.Gurav, Professor

Head of CSE Department SITCOE

It's immense pleasure to present this semi-annual newsletter "CLOUD POINT". Computer Science and Engineering department is the dynamic and vibrant department with the blend of young and experienced Faculty. Department is actively involved in academic as well as research work in current areas of Computer Science and Engineering and multi-disciplinary streams. The department has well equipped labs with the state of art software and hardware equipments. The faculty members are constantly publishing technical papers in national and international journals and conferences. Also, they are involved in consultancy activities. The department is fortunate to have dedicated teachers, devoted students, and committed supporting staff and expert technical staff. Specially, I congratulate my students to participate various extra-curricular activities, research work and competitive exams. My best wishes to all for their bright carrier and successful life.

Vision:

To be a center of excellence in Computer Science & Engineering education to prepare professionally competent engineers with lifelong learning attitude for the accomplishment of ever-growing needs of society.

Mission:

- To prepare technically and professionally competent engineers by imparting quality education through effective teaching learning methodologies and providing stimulating environment for research and innovation.
- To develop professional skills and right attitude in students that will help them to succeed and progress in their personal and professional career.
- To imbibe moral and ethical values in students with concern to society and environment.

Program Educational Objectives

Graduates of the program will

- Demonstrate capabilities to develop optimal solution to the real world engineering problems by applying theory based practical approach of engineering and related engineering disciplines.
- Exhibit professional skills, ethical attitude and sensitivity towards society and environment.
- Engage in lifelong learning for successful adaption to technological changes.

Cyber Suraksha Activity

Name of Event: Networking and Cyber Security

Name of Faculty: Mr. Dayanand Kamble

Date and Time: 15th September 2024, 2.20 to 4.20

No. of participants: 56

Introduction about event: Cyber security is protection of internet connected systems such as hardware, software and data. Protection is against unauthorized access. In this lecture what is networking, why need of cyber security, types of protection, information about network attacks, how to detect network attacks these points are covered.

Outcome: Students enable with theoretical knowledge of networking and cyber security that means networking concepts, how to provide security. Students understand that which precautions have to take while using internet.

PBL Activity :

The Institute has taken the wide-ranging decision to implement the concept of Project Based Learning (PBL) With this approach, students actively explore real world problems and challenges and acquire a deeper knowledge. Under this initiative, various value added programs and activities are conducted by department. The details are as follows.

Sr. no	Topic	Name of Expert, Company Details	Class	No of Students	Conducted Dates
1.	Data Structure Using Advanced Java	Harsh Tripathi	TY	76	3/9/2024 to 10/09/2024

Industrial Visit :-

Industrial visit has its importance for students. Its main aim is to provide students an insight into the internal working of companies in the corporate world. There are various benefits of Industrial Visits. Students get a chance to learn something outside the college walls. It provides students a chance to learn practically from theoretical knowledge through interaction, working methods, and employment practices in large industries.

In this semester we have planned industry tours for all students of SY, TY and B. Tech classes, details are as follows.

Sr No.	Class	Industry name	Date
1	SY B	Walstar Technologies Kolhapur	06/07/2024
2.	SY A	Mascot Software Tecnologies, Kolhapur	20/07/2024
3.	TY B	Robosap Nipani	17/08/2024
4.	TY B	Electrosal Nipani	17/08/2024

Editor's Note...

Dear Readers,

We are pleased to publish the department's newsletter '**Cloud Point**'. The newsletter has a lot of interesting Campus news which will tell you how our quiet looking campus is always abuzz with activity underneath. It is an efficiency of our students and staff that so many activities of different flavors keep taking place in spite of our curriculum.

I feel honored to highlight the achievements and efforts taken by our CSE department. I would like to thank our Executive Director Shri Anil Bagane Sir, Principal Dr. S. A. Khot, and all the staff members and students for their valuable support and encouragement. I hope you enjoy going through the newsletter and will also send us your opinions and suggestions to improve it further.

Best Regards,

Mrs. K.M.Patil
