BUD'S WORDS

Dr. J.R. Garver

Head of CSE Department (HCCOE)

It gives us great pleasure to welcome you through the offices of our Chemical Science and Engineering Department's newsletter. As we continue our journey of academic excellence and innovation, I am proud to witness the dedication, innovation, and growth demonstrated by our students and faculty. In consonance with the vision of The Board of Technical Education, College of Engineering, Thane, we will continue our best traditions of Thane's Education District and Region 10. The field of engineering is evolving at an extraordinary pace, and our department remains committed to providing a strong foundation in core concepts while also embracing innovation in emerging technologies. Through continuous technical growth, research initiatives, and industry engagement, we strive to create an environment that nurtures creativity, critical thinking, and professional skills. Department is focused to provide high-quality engineering education to students with sufficient hands-on training. I hope that the newsletter will serve the purpose of sharing all the activities of the department and I trust your faith in the entire team of staff and look forward to your kind patronage of our newsletter.

Our Vision:

To be a source of students in Computer Science & Engineering education to pursue professionally required exposure with lifelong learning attitude for the accomplishment of the growing needs of nation.

Our Mission:

- To provide technically and professionally required exposure by imparting quality education through effective teaching learning methodologies and providing encouraging environment for research and innovation.
- To develop professional skills and right attitude in students that will help them to succeed and progress in their personal and professional career.
- To imbibe social and ethical values in students with respect to society and environment.

Program Educational Objectives:

- Demonstrate capabilities to develop optimal solution to the real-world engineering problems by applying theory based practical approach of engineering and related engineering disciplines.
- Demonstrate professional skills, ethical attitude and leadership towards society and environment.
- Engage in lifelong learning for successful adaptive to technological changes.

FBL ACTIVITY

The Institute has taken the value-adding initiative to implement the concept of Project Based Learning (PBL). With this approach, students identify, explore and solve problems and challenges and acquire a deeper knowledge. Under this initiative, various value-added programs and activities are conducted by department. The details are as follows.

S.NO	TOPICS	NAME OF RESOURCE PERSON	CLASS	NO. OF STUDENTS PARTICIPATED	DATE
1	Algebra Day Class on Linear Technology	Geetha Khande	BT	70	17th Dec 2022
2	Value Education with Real-World Designers	Pratish Kulkarni	BT	70	17th Dec 2022

1. Meeting Date: 14.08.2024 (11:00 AM)
2. Meeting Title: Meeting with the Head of the Department
3. Meeting Location: Meeting Room 1012, 10th Floor
4. Meeting Agenda: To discuss the progress of the project and the budget.

INDUSTRIAL VISIT -

Industrial visit has its importance for students. Its main aim is provide students an insight into the internal working of companies in the corporate world. These are various benefits of Industrial Visit. Students get chance to learn something outside the college walls. It provides students a chance to learn practically from theoretical knowledge through observation, working methods, and employment practices in large industries.

In this semester we have planned Industry Visit for all students, details are as follows.

S.NO	NAME & ADDRESS OF ORGANIZATION	CLASS	DATE
1	Manucrethra Technology Pvt.Ltd	IT C	09.01.22
2	Chandri Computer College	IT B	17.01.22
3	Chandrasekar Technology College	IT A	21.01.22
4	St. Ann's Technology College	IT C	21.01.22
5	Yashwantrao College	IT B	21.01.22
6	Shiksha Park	IT	21.01.22
7	SRM Technology Park	IT	22.01.22

GUEST LECTURES

Following are various guest lectures scheduled for B.T, ITT and B.Tech students of Computer Science and Engineering Department

S.NO	Topic for Expert Talk	Expert Name & Designation	Date of Expert Talk	Class	No. of Beneficiaries
1	Open Call Center Projects and its Development	Dr. Mahesh S. Chaud Software Engineering Apexsoft Software Technology, Pune	16/11/2023	ITTT & Tech (100)	121
2	Cloud Based in Automation & Internet	Dr. Mahesh S. Chaud Senior Software Engineer - Strategic Cloud in Salesforce (Pune)	14/11/2023	ITTT & Tech (100)	131
3	Emerging Technologies and Applications in AI/ML	Dr. Pooja V. Kulkarni Associate & CEO AI Solutions Dr. L. A. Pooja	04/11/2023	ITTT & Tech	14
4	The Power of Quantum Computing: Applications in solving Real-world Problems	Dr. Yashraj Sachdev - Dr. ITTT & Tech (100) Faculty of Management, Lundby	04/11/2023	ITTT & Tech	15

STUDENTS COMMITTEE MEMBERS-

Sh. Shweta Gupta

Sh. Manya Shrivastava

We are glad to be a part of our Computer Computer Science and Engineering Department's seminar committee. We tried to present the edition filled with actualized work, interesting events and a lot more activities.

We would like to thank our Ex. Director Shri. Anil Daga, Ex. Principal Dr. S.A. Bhat, Ex. and all faculty members for their valuable support and encouragement. We wish all the students and faculty a very successful academic year ahead!

Mrs. Khushi Bhat
New Learning
Dept. of CHS, CHSCE

- EINTON'S NOTE -

Dear Readers,

It is with great anticipation that I present this edition of our department's newsletter 'Cloud Peas'. Each issue is a reflection of our vibrant academic community – its achievements, creativity, innovation, and dedication. This newsletter aims to capture the spirit of our institution by showcasing the successes of our students, faculty, and departments over the past month.

I feel honored to highlight the achievements and efforts made by our CHS department. I would like to thank our Executive Director, Mrs. Anil Bhatnagar for, Principal Dr. S.A. Khat, and all the staff members and students for their valuable support and encouragement. I hope you enjoy reading this edition as much as we enjoyed putting it together. Let this newsletter be a reminder of how far we have come—and a motivation to strive for greater heights.

Yours Sincerely,
Mrs. Nandini N. Patel
